

Galaxy Tab S10 Series is Samsung's AI-Ready Tablet

Series expands Galaxy AI ecosystem while bundled S Pen offers intuitive productivity and creativity

SEOUL, Korea – Sept. 27, 2024 – Samsung Electronics Co., Ltd. today unveiled the Galaxy Tab S10 Ultra and Galaxy Tab S10+, Samsung's first tablets purposefully built for AI. The premium hardware includes 14.6-inch and 12.4-inch Dynamic AMOLED 2X displays — the ideal canvas for the intuitive S Pen bundled with both models. Performance upgrades¹ for the Galaxy Tab S10 Ultra include an 18% increase in CPU, 28% increase in GPU, and 14% increase in NPU compared to the Galaxy Tab S9 Ultra.

This improved processing power enables faster and more responsive AI features, which are now easily accessible with written prompts using the new Galaxy AI Key on the Book Cover Keyboards to customize AI assistant. Cutting-edge software includes features such as Note Assist and Drawing Assist, optimized for the tablet form factor. The Galaxy Tab S10 series also acts as a home AI device, with a [3D Map View](#) that gives a visual overview of the home and all connected devices to streamline device management across the SmartThings ecosystem. Robust Samsung Knox security ensures data privacy and control, while innovative materials underscore Samsung's commitment to a more sustainable future.

“The Galaxy Tab S10 series is Samsung's first tablet built with AI enhancements available right out of the box, and it's the latest addition to the Galaxy AI family,” said MC Lee, VP, Head of Galaxy Ecosystems

¹ For Galaxy Tab S10+, performance upgrades include a 16% increase in CPU, 27% increase in GPU, and 13% increase in NPU compared to Galaxy Tab S9+.

Business Team, Mobile eXperience Business at Samsung Electronics. “We’re proud to add to our seamless ecosystem of connected devices, bringing versatile experiences that only an AI tablet can offer through the Galaxy Tab S10 series’ blend of power and portability.”

Peak Performance on the Go

Built on Samsung’s legacy of providing powerful experiences, the Galaxy Tab S10 Ultra and Galaxy Tab S10+ harness significant leaps in AI processing power to deliver a supercharged, lag-free experience. The Galaxy Tab S10 Ultra includes a more than 18% increase in CPU, 28% increase in GPU, and 14% increase in NPU compared to the Galaxy Tab S9 Ultra. Coupled with **long-lasting battery life**² and **Super-Fast Charging**³, the Galaxy Tab S10 series allows the device to be used for longer, with less time spent waiting for it to charge.

Elegant Build Quality, Mesmerizing Display

The Galaxy Tab S10 Ultra’s 14.6-inch display and Galaxy Tab S10+’s 12.4-inch display both feature cutting-edge **Dynamic AMOLED 2X** technology and offer a vibrant yet natural viewing experience, even outdoors. Every detail remains clear from any angle and in any environment with advanced anti-reflective technology, minimizing distracting glare and reducing reflection rate. The series’ quad speaker setup is further enhanced with AI-powered Dialogue Boost, which amplifies voices over unwanted noise to create ultra-clear audio. And for use on the go, the Galaxy Tab S10 series offers uncompromised durability with

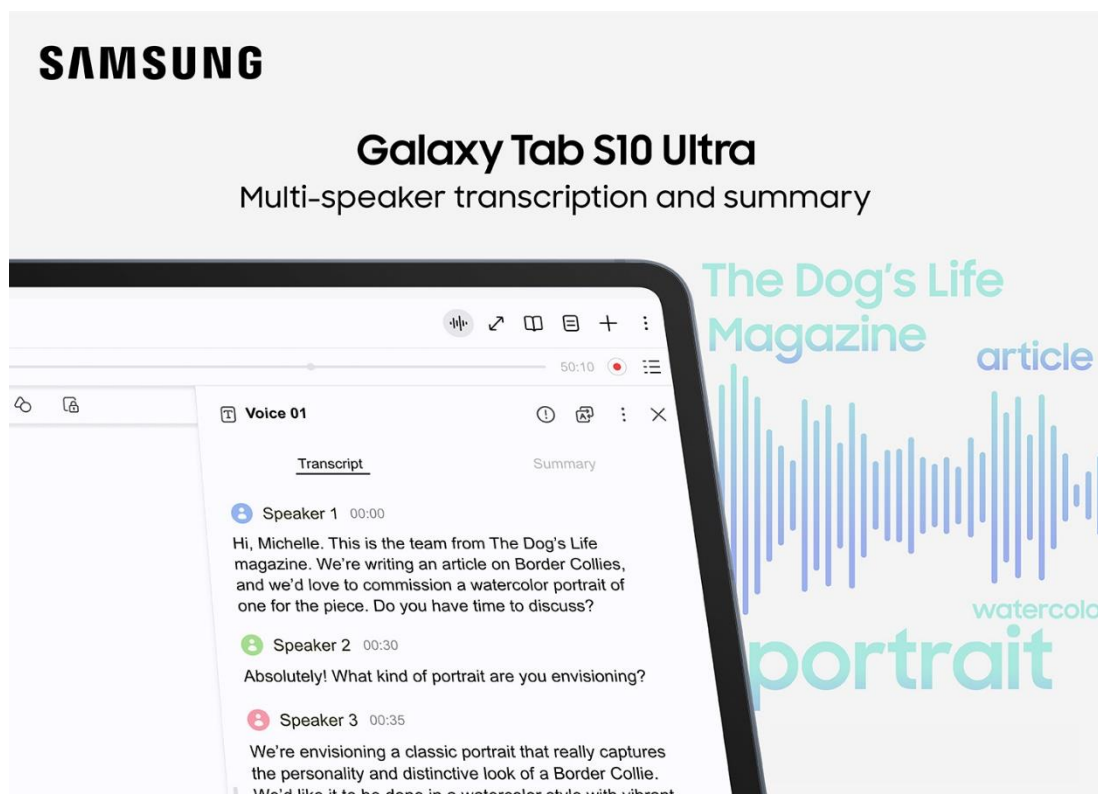

² Actual battery life may vary depending on model, network environment, usage patterns and other factors.

³ Super Fast Charging speed depends on battery level and other factors; use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device.

an IP68 rating⁴ further protected by enhanced Armor Aluminum — built to handle bumps and scrapes to use anytime, anywhere.

Work Smarter, Achieve True Creativity

The Galaxy Tab S10 series offers an efficient experience — enhancing productivity —and serves as the ideal canvas to let out your creative side.

- With **Note Assist** and the intuitive S Pen, notetaking is a breeze on the tablet's large display. Schoolwork, note-taking, and personal journaling become more efficient with automated transcriptions and summaries provided by AI. With **PDF Overlay Translation**, the Galaxy Tab S10 series can also seamlessly translate PDFs via an on-screen overlay. **Handwriting Help** cleans up untidy handwritten notes, too.
- Galaxy AI's **Sketch to Image** makes the Galaxy Tab S10 Ultra perfect for turning imagination into reality, acting as the ideal creative assistant for overcoming mental roadblocks.
- With **Circle to Search**⁵ with Google on the Galaxy Tab S10 series, you can Circle to search anything without switching apps. Instantly translate anything you see on your tablet with Google. Without switching apps, you can translate any image, video or text in two taps. Quickly get the

⁴ Galaxy Tab S10 + and S10 Ultra are rated as IP68. The inbox S Pen is also water and dust-resistant with an IP68 rating. Consistent with IP68 rating, water resistant in up to 1.5 meters of freshwater for up to 30 minutes. Rinse residue / dry after wet. Not advised for beach or pool use.

⁵ Results may vary depending on visual matches. Requires internet connection. Users may need to update Android to the latest version. Product functionality may be dependent on your app and device settings. Some functions may not be compatible with certain apps. Availability of the service varies by country and language. Accuracy of results is not guaranteed.

info you need, then get right back to what you're doing. Circle to Search can even recognize and outline steps for solving physics and math problems.

- The Galaxy S Pen's **Air Command with AI** provides instant access to Galaxy AI Assistant features without toggling between menus. AI Assistant apps can also be easily launched by the **Galaxy AI Key on the Book Cover Keyboard**⁶ with written prompts, making it easier for users to choose between Samsung's Bixby and Google's Gemini for a customized AI experience.

Intelligent Home Device

Galaxy Tab S10 doubles as a Galaxy **home AI device**, simplifying device management. With large screen-optimized features such as [3D Map View](#), it's easy to see status of SmartThings-enabled devices via the SmartThings widget. Users can also enable SmartThings Energy and AI Energy Mode to easily monitor their devices' energy consumption. Galaxy AI doesn't just enhance life on the go, it also takes the stress out of home life.

The Galaxy Ecosystem, Secure and Expanded

The Galaxy Tab S10 series expands Galaxy's unique connected experience and third-party app ecosystem, offering new and enhanced apps. The Tab S10 series provides access to leading third-party apps including Goodnotes, LumaFusion, Noteshelf 3, Clip Studio Paint, Picsart and Sketchbook. Users can easily control speeds and add dramatic visual effects when editing videos on LumaFusion or seamlessly create content for social media with Picsart's AI design tools. With the Galaxy Tab S10 series' extensive third-party app ecosystem, there's something for everyone.

⁶ Book Cover Keyboard sold separately. Product design may vary by model. Features and keyboard layout may vary by model or type of language.

SAMSUNG

Galaxy Tab S10 Ultra

Pro-grade apps optimized for Galaxy

Samsung is committed to providing users with choice and control over their devices and their data. With **Advanced Intelligence** settings, users can choose to disable online data processing to ensure their data remains on-device. **Samsung Knox**'s real-time threat detection and collaborative protection always keeps users safe, so they can live life to the fullest.

The Galaxy Tab S10 Ultra and Galaxy Tab S10+ will be available in select markets starting from October 3, and offered in two colors: Moonstone Gray and Platinum Silver. For more information about the Galaxy Tab S10 series, please visit: <https://www.samsung.com/sec/tablets/>
